

78. The method of claim 60 wherein said administering comprises a single dose intravenously.

79. The method of claim 60 wherein said administering comprises one or more dose administrations daily for one or more days.

80. The method of claim 60 wherein said angiogenesis is present in a patient having an eye disease selected from the group of eye diseases consisting of diabetic retinopathy, age-related macular degeneration, presumed ocular histoplasmosis, retinopathy of prematurity and neovascular glaucoma.

81. The method of claim 60 wherein said angiogenesis is present in a patient having a corneal neovascular disorder selected from the group of disorders consisting of corneal transplantation, herpetic keratitis, luetic keratitis, pterygium and neovascular pannus associated with contact lens use.

82. The method of claim 60 wherein said angiogenesis is induced by a cytokine.

83. The method of claim 82 wherein said cytokine is selected from the group consisting of vascular endothelial growth factor, transforming growth factor- $\alpha$  and epidermal growth factor.

84. The method of claim 82 wherein said cytokine is vascular endothelial growth factor and said angiogenesis is selected from the group consisting of retinal angiogenesis, corneal angiogenesis, tumor angiogenesis and inflamed tissue angiogenesis.

---

#### REMARKS

Entry of the above amendments is respectfully requested. Claims 1-25 and 44-48 have been canceled and replaced by new claims 49-84, that are now pending. No new matter has been

added. Claims 26-43, directed to non-elected inventions, were canceled in the enclosed Response to Restriction Requirement.

Please enter the above-identified Preliminary Amendment along with the response to the Restriction Requirement. No fees are believed to be necessary. However, if additional fees are required, the undersigned authorizes any fees to be charged to Deposit Account 19-0962.

Respectfully submitted,
